Other associated fees

Registration fees:

Families are required to pay an annual registration fee of \$30.00 after the second time using the service within the year. This fee covers insurance and administration costs.

Family Bond:

Families are required to provide a bond of \$100.00. This money is fully refundable at the discontinuation of care, if the family's account is up to date. If an account falls into arrears, Centre staff will contact the family to rectify the situation. If attempts to rectify the account fail, written notice will be given that the Centre intends to use part or full amounts of the bond to clear the account.

The bond is to safeguard the Centre from losing funds due to accounts falling into arrears. The Centre is not for profit and we ask that families understand that service cannot operate unless we have the funds to do so.

Late fee:

If the parent/ guardian is going to be late picking up the child, every effort must be made to contact the provider. A late pick up fee will be charged at \$5.00 for every 5 minutes late after 6.00pm as the centre is unlicensed at this time. During the day the hourly fee applies.

For associated fees related to routine and casual care terms and conditions please refer to the parent handbook.

I confirm

- That my details in the enrolment form, as well as the details of the child I am enrolling are correct.
- I have agreed to days of care within the service and understand the start and end times of these sessions of care.
- That care may be provided on a casual or flexible basis where available at the service at my request.
- I understand I am liable to pay fees for the care of my child as indicated above and, if applicable, in other information the service has given me (such as a fee schedule or parent handbook) which are subject to change over time based on advice from the provider and acceptance by me.

Please sign and return to the centre:

Parent/Guardian Permissions

1. **Emergency Action:** Should my child/ren suffer an injury or illness whilst at the Albury Occasional Childcare and Early Learning Centre, I give permission for staff to seek any appropriate medical, dental, ambulance and/or hospital treatment, and for the treatment to be carried out as necessary. I agree to be responsible for all costs incurred and I understand that if I am not a member of an ambulance fund, all costs incurred are my responsibility.
2. **Panadol:** I give my permission for staff to administer Infant/Children's Panadol (or other approved brand) to my child/ren, should he/she run a high temperature that cannot be controlled by tepid cloths. I understand that all efforts will be made by staff to contact me or my emergency contact person should this situation arise.
3. **Band-Aids:** I give my permission to have an abrasion or small cut washed with water and a band aid applied if needed.
4. **Medication:** I have read and understood the centre's policy regarding administration of Medication (Medicine can only be given if child's name is on correct label and this has been provided by a health care professional).
5. **Nappy Rash Treatment:** I give my permission for staff to use am-o-lin cream and or sudocream on my baby at nappy changes if they feel that it is necessary. I understand that I will be informed by staff on my arrival.
6. **Head Lice:** I give my permission for my child/ren's hair to be checked for head lice during the year when outbreaks occur, or if my child is scratching or complains of itchiness on their head. I will be available to collect my child/ren from care if at any time the condition is detected on my child/ren.
7. **Sunscreen:** I understand that staff would prefer me to apply my own sunscreen to my child/ren before I leave the Centre. I give my permission for staff to apply a non-allergenic sunscreen to my child/ren if I have not supplied my own, or if I have forgotten to apply my own.
8. **Student Observations:** I give my permission for my child/ren to be observed by students for learning and education purposes.
9. **Photographs:** I understand that from time to time the local papers request the Centre to provide children to be photographed for various reasons. I also understand that the staff have a Centre camera/IPAD that they use to take photos of the children playing. I give my permission for my child/ren to be photographed.
10. **Security Cameras:** I understand that there are security cameras installed on the premises and operate in the entry foyer and rear verandah of the building. The images are stored on a hard drive and kept on premises for security purposes only.
11. **Fundraising:** I understand that from time to time the Centre conducts fundraising activities and I agree to assist where possible.

I understand that by signing below I agree with clauses numbered 1 to 11 above.

MEDICAL CONDITIONS POLICY (Appendix 1)

Aim

To ensure that the risks relating to the child's specific health care need, allergy or relevant medical conditions are assessed and minimised.

Goals

Albury Occasional Child Care and Early Learning Centre will minimise the risks around medical conditions of children by:

- Collaborating with families of children with diagnosed medical conditions to develop a risk minimisation plan for their child.
- Informing all staff, including casual staff, educators and volunteers, of all children diagnosed with a medical condition and the risk minimisation procedures for these.
- Providing all families with current information about identified medical conditions of children enrolled at the service and with strategies to support the implementation of the risk minimisation plan, such as informing other families enrolled at the Centre of the need to prohibit any items which may present a hazard to children with diagnosed medical conditions.
- Ensuring all children with diagnosed medical conditions have a current risk minimisation plan that is accessible to all staff.
- Ensuring all staff are adequately trained in the administration of emergency medication.
- Ensuring that any parent with a child enrolled at the service that has a specific health care need, allergy or other relevant medical condition is provided with a copy of this *Medical Conditions* policy.
- Inform parents of the requirement to provide the service with a medical management plan of their child's condition.
- Ensure that practices and procedures in relation to the safe handling, preparation, consumption and service of food are developed and implemented along with lunch box monitoring and adequate supervision throughout meal routines.
- To ensure that practices and procedures to ensure that the parents are notified of any known allergens that pose a risk to a child and strategies for minimising the risk are developed and implemented.
- To develop and implement practices and procedures for ensuring that all staff members and volunteers can identify the child, the child's medical management plan and the location of the child's medication and are aware of the medical conditions policy.
- To ensure that practices and procedures ensuring that the child does not attend the service without medication prescribed by the child's medical practitioner in relation to the child's specific health care need, allergy or relevant medical condition are developed and implemented.
- Implement procedures to ensure that all medication plans are current and kept up to date.
- Develop a communication plan to ensure that parents can communicate any changes to the medical management plan and risk minimisation plan.

Management of Asthma and Anaphylaxis

the Nominated Supervisor will:

- Ensure that all staff are adequately trained in the management of asthma and anaphylaxis, and that training includes identifying medical emergencies.
- Ensure that all staff are adequately trained in the administration of emergency medication such as the Epi-Pen or asthma medication.
- Ensure documentation is appropriately recorded and confidentially stored for the specified period as required by the Regulation.
- Provide a copy of the Medication Record to medical staff in the event further medical intervention is required.

Educators and staff will:

- Be alert to the immediate needs of children who present with symptoms of anaphylaxis and asthma; and
- Administer emergency medication in accordance with their training, as required.
- Complete a Medication Record when a child receives emergency medication and will provide parents with a copy of the Medication Record.
- Educators respond in an effective manner to any medical condition's incident, and documentation is completed, shared, and stored as appropriate.

Asthma

The Nominated Supervisor will:

- Provide Emergency Asthma Management Training to all staff and ensure qualifications are updated as required.
- Provide staff with a copy of this policy and brief them on asthma procedures such as storage of management plans and medication upon their appointment.
- Ensure at least one staff member who has completed accredited asthma training is on duty whenever children are present at the service.
- Ensure all enrolment forms contain the question: "Has your child ever had asthma?"
- Identify children with asthma during the enrolment process and inform staff.
- Provide families thus identified with a copy of this policy and Asthma Action Plan upon enrolment or diagnosis.
- Store Asthma Action Plans in the child's enrolment record and display management plans in a prominent place in the kitchen so is accessible for all educators, volunteers and students.
- Formalise and document the internal procedures for emergency Asthma First Aid;
- Ensure that an emergency Asthma First Aid poster is displayed in key locations.
- Ensure that the First Aid Kit contains a blue reliever medication (e.g. Airomir, Asmol, or Ventolin), a spacer device, face mask, concise written instructions on Asthma First Aid procedures and 70% alcohol swabs;
- Ensure that an accredited staff member correctly maintains the asthma component of the First Aid Kit (e.g. regular checks of expiry dates on medication)

- Encourage open communication between families and staff regarding the status and impact of a child's asthma and promptly communicate any concerns to families should it be considered that a child's asthma is limiting his/her ability to participate fully in all activities.

Educators will:

- Ensure that they maintain current accreditation in Emergency Asthma Management (valid for three years).
- Ensure that they are aware of the children in their care with asthma.
- Ensure, in consultation with the family, the health and safety of each child through supervised management of the child's asthma.
- Identify and, where practical, minimise asthma triggers.
- Where necessary, modify activities in accordance with a child's needs and abilities.
- Ensure that all regular prescribed asthma medication is administered in accordance with the information on the child's written Asthma Action Plan.
- Administer emergency asthma medication if required according to the child's written Asthma Action Plan. If no written Asthma Action Plan is available, the Asthma First Aid procedures outlined in this document should be followed immediately.
- Promptly communicate, to management or parents/guardians, any concerns should it be considered that a child's asthma is limiting his/her ability to participate fully in all activities.
- Ensure that children with asthma are treated the same as all other children.

Families will:

- Inform staff, either upon enrolment or on initial diagnosis, that their child has a history of asthma.
- Provide all relevant information regarding their child's asthma via the written Asthma Action Plan, which should be provided to the Centre within seven (7) days of enrolment.
- Notify the Nominated Supervisor, in writing, of any changes to the Asthma Action Plan during the year.
- Ensure that their child has an adequate supply of appropriate asthma medication (including reliever) always, along with a spacer and facemask.
- Ensure that they comply with all requirements and procedures in relation to the Medications Record.
- Communicate all relevant information and concerns to educators as the need arises (e.g. if asthma symptoms were present the previous evening)
- Ensure, in consultation with the staff, the health and safety of their child through supervised management of the child's asthma.

Anaphylaxis Management

The Nominated Supervisor will:

- Ask all parents/guardians as part of the enrolment procedure, prior to their child's attendance at the service, whether the child has allergies and document this information on the child's enrolment record. If the child has severe allergies, ask the parents/guardians to provide a medical management action plan signed by a Registered Medical Practitioner.
- Ensure that an anaphylaxis medical management action plan signed by the child's Registered Medical Practitioner and a copy inserted into the enrolment record of each child. The plan must outline the allergies and describe the prescribed medication for that child and the circumstances in which that medication should be used.
- Ensure a copy of the anaphylaxis plan is displayed in a prominent area in the kitchen and is accessible to Educators, Students and volunteers.
- Ensure a complete auto-injection device kit (which must contain a copy the child's anaphylaxis medical management action plan) is provided by the parent/guardian for the child while at the service.
- Ensure staff members on duty whenever children are present at the service have completed emergency anaphylaxis management training.
- Ensure that all relief staff members in a service have completed current approved anaphylaxis management training including the administration of an adrenaline auto-injection device and are aware of the symptoms of an anaphylactic reaction.
- Ensure all staff know the child/children at risk of anaphylaxis, their allergies, the individual anaphylaxis medical management action plan and the location of the auto-injection device kit.
- Ensure that no child who has been prescribed an adrenaline auto-injection device is permitted to attend the service without the device.
- Ensure that a notice is displayed prominently in the main entrance of the service stating that a child diagnosed at risk of anaphylaxis is being cared for or educated at the service.

Staff responsible for the child at risk of anaphylaxis shall:

- Ensure a copy of the child's anaphylaxis medical management action plan is visible and known to educators in a service.
- Follow the child's anaphylaxis medical management action plan in the event of an allergic reaction, which may progress to anaphylaxis.

In the situation where a child who has not been diagnosed as allergic, but who appears to be having an anaphylactic reaction:

- Call an ambulance immediately by dialling 000 (or 122 on mobile)
- Commence first aid procedures
- Contact the parent/guardian or the person to be notified in the event of illness if the parent/guardian cannot be contacted

Maintain current first aid and anaphylaxis training qualifications to remain familiar with the administration procedures of the adrenaline auto-injection device and symptoms of anaphylactic reactions.

- Ensure that the auto-injection device kit is stored in a location that is known to all staff, including relief staff; easily accessible to adults (not locked away); inaccessible to children; and away from direct sources of heat.
- Regularly check the adrenaline auto-injection device expiry date.

Parents/guardians of children shall:

- Inform staff at the children's service, either on enrolment or on diagnosis, of their child's allergies.
- Develop an anaphylaxis risk minimisation plan with service staff.
- Provide staff with an anaphylaxis medical management action plan signed by the Registered Medical Practitioner giving written consent to use the auto-injection device in line with this action plan.
- Provide staff with a complete auto-injection device kit.
- Regularly check the adrenaline auto-injection device expiry date.
- Assist staff by offering information and answering any questions regarding their child's allergies.
- Notify the staff of any changes to their child's allergy status and provide a new anaphylaxis action plan in accordance with these changes.
- Communicate all relevant information and concerns to staff, for example, any matter relating to the health of the child.
- Comply with the service's policy that no child who has been prescribed an adrenaline auto-injection device is permitted to attend the service without that device.
